Mr. Walter Nelles,
Counsel, National Civil Liberties Bureau,
70 Fifth Ave.,
New York City.

Dear Mr. Nelles:

I want to thank you for your kind letter
of the 22nd inst.

Whitehead and Vogl will write to you
concerning my case. I trust you will endeavor to
procure some assistance for me. My attorneys are
doing the work for far below the ordinary fee, but, as
they told me, they have done and are doing so much work
for the cause that, it becomes necessary that they receive
sufficient to compensate them for expenses involved in the
prosecution of my case. They have done splendid work for
me, they are rendering an invaluable service to the
opponents of militarism.

Saturday, March 30th, I will either be
granted a new trial or sentenced. In the latter event,
will appeal to the circuit court of appeals.

Again thanking you,

Sincerely yours,

4166 Knox Court.
